February – March 2018 | Global auction highlights
The Poseidon, an unused oil/water/gas separation barge located in Ensenada, Baja California, Mexico, is selling through Ritchie Bros. Private Treaty negotiation procedure.

Built in 2014, the barge was sold to the current owner in new condition after the program was canceled before any systems were used. There are two possible uses for the Poseidon: Arctic Containment System (ACA) and Floating Production and Offloading System.

Take a virtual tour online, then contact us to arrange an inspection and make an offer.
