How to bid in our Nashville, TN Online Timed Auction

More convenience. More time to bid. More profit for you.

Our automated Timed Auctions offer another easy, convenient way to buy and sell online, and each year we sell tens of thousands of items via this platform – including oil & gas equipment, heavy haul trucks, construction equipment and much more.

What are Timed Auctions?

Timed Auctions are an automated online auction system with no auctioneer. You can bid via our website from your home or office computer, via your mobile device.

Timed Auctions offer ease and convenience to bidders

Longer bidding window

Bidding is open for 5 days so you get more time to place your bids

More time to bid

When time is running out on an item, any new bids placed will cause additional time to be added, so you have more time to bid

Choice of ways to bid

Quick Bid and Max Bidding options allows you to easily place bids

Onsite Preview

The auction yard is open for you to test and inspect equipment

See inventory selling at our Nashville, TN Timed Auction on rbauction.com

Auction site is open for inspections. Please call +1.615.453.4549 as government regulations limit the number of people onsite.
