A man with a beard and short hair, wearing a dark blue jacket with a small 'rb' logo on the chest, stands next to a large green tractor. The tractor has a yellow stripe and the text '8400T' on its side. In the background, a red crane is visible against a cloudy sky. The man is smiling and looking towards the camera.

THE TEAM

JAVIER ALLER

Territory Manager

I started at Ritchie Bros. in August 2018 as a Territory Manager. I cover the entire northwestern area of Spain and north of Portugal. I come from the world of machinery: I was working at Caterpillar for 6 years in the rental division. I have worked in the area of buying and selling second-hand machinery and spare parts, as well. And I have operated heavy machinery. My role now at Ritchie Bros. as a TM is to visit clients, build good relationships and become their trusted advisor to get their equipment bought and sold here. At Ritchie Bros. we touch many sectors: agriculture, transportation, cranes, vehicles and all types of machinery.

What makes Ritchie Bros. unique is its 65-year history. I would highlight the great potential it has for delegations around the world, the professionalism, the amount of equipment it moves, the system of carrying it out that draws a lot of attention from clients, buyers, sellers and even ourselves. We leave our skin as if the company were ours. In addition, on the other hand, it has a very powerful human relationship part. You get very involved yourself even if the company does not ask you to.
