

The background of the poster is a dramatic landscape painting. It depicts a vast, golden-brown field, likely a wheat or barley field, with numerous round hay bales scattered across it. In the foreground, a single, large, detailed hay bale is prominent on the right side. The sky is filled with heavy, dark, and textured clouds, with a bright, glowing light source (the sun or moon) breaking through the clouds in the center-left, creating a strong lens flare and illuminating the scene. The overall color palette is dominated by warm, golden, and blue tones.

RM BISON IS A RELATIVELY SMALL COW CALF OPERATION THAT WAS ESTABLISHED IN 2003 WITH THE PURCHASE OF A GROUP OF PLAINS HEIFERS FROM THE DRAYYON VALLEY AREA. OVER THE PAST 15 YEARS, THE HERD HAS EVOLVED INTO A VERY UNIFORM GROUP OF 70 EXTREMELY DOCILE, THICK, PRODUCTIVE PLAINS FEMALES. A GOOD PORTION OF THE CURRENT COW HERD CONSISTS OF OUR OWN HOME RAISED REPLACEMENT FEMALES THAT ARE METICOUSLY SELECTED FOR CONFORMATION AND ALONG WITH THE CONSIDERATION FOR THEIR DAMS PRODUCTION HISTORY. AFTER PAYING CLOSER ATTENTION TO HEARD AND PASTURE MANAGEMENT, I AM VERY PLEASED WITH THE STEADY IMPROVEMENT OF OVERALL PRODUCTIVITY OF THE OPERATION. THEY LIVE AN EXTREMELY LOW STRESS LIFE AND ARE HAPPY TO BE ROTATIONALLY GRAZED IN 3 SEPARATE BREEDING GROUPS THOUGHOUT THE SUMMER MONTHS. THESE BISON ARE MY PRIDE AND JOY! # SILVER CREEK BISON RANCH

## NOLAN MILLER

SILVER CREEK BISON FIRST PURCHASED BISON 1988 AND CURRENTLY RUN 1800 HEAD. WE RUN A COW/CALF THROUGH TO FINISHING PROGRAM AND KEEP CLOSE RECORDS THROUGHOUT TO SELECT FOR OUR BREEDING PROGRAM. OVER THE YEARS WE HAVE MOVED THE MAJORITY OF THE BREEDING TO WOOD X BULLS ON THE WOOD X COWS TO IMPROVE CONFIRMATION, CARCASS YIELD, AND OTHER CARCASS TRAITS. WE RUN A HERD OF PURE WOOD AND A HERD OF PURE PLAINS TO SUPPLY SEEDSTOCK TO OTHER PRODUCERS. IF YOU ARE IN OUR AREA PLEASE, STOP IN, WE WOULD BE GLAD TO SHOW YOU AROUND.
