Bidding Options

▶ In person in the auction theater

Bring your VAT number (if applicable) and photo ID. You will be registered with a one-time on-site bidder number.

▶ Live online via our website or mobile app

Create a free online account at rbauction.co.uk, get an online bidder number and activate online bidding. Once your account is active you can register and bid online on every upcoming auction. You may be required to pay a deposit. Registration expires after each auction.

▶ Place a PriorityBid

Bid before the live auction starts. Submit the amount you are willing to bid up to and our system will bid the lowest amount required for you to win up to your top amount.

▶ Place a proxy bid

If you want to bid on two items being sold around the same time, or you can't join the auction live, placing a proxybid can be a good solution. Register for the auction and provide your proxybids to our team, authorising us to bid on your behalf.

▶ Bid in online Timed Auctions

Smaller items and attachments are often sold exclusively in online Timed Auctions. Bidding opens a few days before the live auction and closes on a set time. You can place bids on your computer, mobile device or at the Timed Auction kiosks at the auction site. On-site bidders login with their bidder number and PIN. Online bidders login and enter the Timed Auction on the website.
