## Yard Operations Manager

*On November 1st, 2011, my career started at Ritchie Bros. in Meppen, Germany. First as Equipment Customer Service Manager but then in 2013 I became Equipment Manager and took over the responsibility for the technical and organizational handling at our auctions. Since 2015, I have been managing our premises in Germany as Yard Operations Manager.*

*Ritchie Bros. is a global company – colleagues, customers, and machines come from all over the world, which makes it very diverse and interesting. We always have the customer and their equipment in focus to meet their expectations.*

*All equipment can be personally inspected and tested on site during the viewing days, which creates transparency and trust. Our team is always ready to answer your questions and to provide you with support and advice. Food and beverages are always taken care of at our site. It's worth stopping by!*
