Welcome to Zurich

About Zurich
The insurer of this product is Zurich Australian Insurance Limited (ZAIL), ABN 13 000 296 640, AFS Licence Number 232507. In this document, ZAIL may also be expressed as ‘Zurich’, ‘we’, ‘us’ or ‘our’.

ZAIL is part of the Zurich Insurance Group, a leading multi-line insurance provider with a global network of subsidiaries and offices. With about 60,000 employees, the Zurich Insurance Group delivers a wide range of general insurance and life insurance products and services for individuals, small businesses, and mid-sized and large companies, including multinational corporations, in more than 170 countries.

Duty of Disclosure
This contract of insurance will be governed by either the Insurance Contracts Act 1984 (Cth) or the Marine Insurance Act 1909 (Cth).

Duty of Disclosure under the Insurance Contracts Act 1984
Before you enter into a contract of general insurance with us, you have a duty under the Insurance Contracts Act 1984 (Cth) to disclose to us every matter you know, or could reasonably be expected to know, is relevant to our decision whether to insure you and, if so, on what terms. This applies to all persons to be covered under this contract of insurance.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of general insurance. This duty however, does not require disclosure of a matter that:

• diminishes the risk to be insured;
• is of common knowledge;
• we know or in the ordinary course of our business we ought to know;
• we indicate to you that we do not want to know.

Duty of Disclosure under the Marine Insurance Act 1909
Your attention is drawn to Sections 23 to 27 of the Marine Insurance Act 1909 (Cth) and, in particular, that any contract of marine insurance is based on utmost good faith and in the absence of such good faith, may be avoided. Further, you have an obligation to disclose to us every material circumstance which is known to you and/or which in the ordinary course of business ought to be known to you. Every circumstance is material if it would influence the judgement of a prudent insurer in fixing the premium or determining whether they will take the risk. If there is a failure to make such disclosure, we may avoid the contract.

Non-disclosure or Misrepresentation
If the insured makes a misrepresentation to us, or if they do not comply with this duty of disclosure and we issue the policy with terms and conditions that are different to the terms and conditions that would have been issued had there not been any misrepresentation, or the insured’s duty of disclosure had been complied with, then:

• we may reduce the cover provided so that we are placed in the same position as we would have been in, had there not been any misrepresentation and the insured’s duty of disclosure had been complied with; and
• we may also cancel the policy; or
• we may treat the policy as if it never existed if the misrepresentation or the non-compliance with the insured’s duty of disclosure was fraudulent.
Our contract with you
This policy is a contract of insurance between the insured and Zurich and contains all the details of the cover we provide.

This policy is made up of:

• the policy wording. It states what is covered, sets out the claims procedure, Exclusions and other terms and conditions of cover;
• the proposal which is the information you provide to us when applying for insurance cover;
• the most current policy schedule issued by us. The schedule is a separate document unique to the insured. It includes any changes, Exclusions, terms and conditions made to suit the individual circumstances and may amend the policy; and
• any other written changes advised by us in writing (such as an endorsement). These written changes vary or modify the above documents.

Please note, only those covers shown in the schedule are insured. Please keep this policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.
Annual Marine Cargo Insurance

Subject to the prior payment of, or your agreement to pay, the premium set out in the schedule, we agree to provide insurance as set out in this policy.

In issuing this policy, we have relied on the information contained in the proposal form and/or any other information given by you or on your behalf.

1. The cover
   We insure you for loss of or damage to the subject matter insured, liability or expense on conditions as set out in the schedule.

   When the cover applies
   The insurance only applies to voyages that commence during the period of insurance specified in the schedule, or during any subsequent period that we have accepted payment for.

2. Conditions of cover
   2.1 Conditions of insurance
       The conditions of insurance are as specified in this policy wording, the schedule and attachments and any clauses referred to in the schedule, all of which are to be read together.

       2.1.1 Any reference in the conditions of insurance to Institute Clauses is to the clauses published by the International Underwriting Association of London current at the effective date of this policy.

       2.1.2 Any reference to ‘English law and practice’ is amended to ‘Australian law and practice’ wherever it appears.

   2.2 Basis of valuation
       2.2.1 For shipments involving imports or exports the subject matter insured is agreed to be valued as stated in the schedule.

       2.2.2 For transits commencing and terminating within the same country:
           (a) when stated as invoice value in the schedule the agreed value is the invoice cost or value, plus any costs incidental to the insured transit that are not covered by the invoice; or

           (b) if there is no invoice, the value is the market value or the cost, at the time of the commencement of the insured transit, of replacing the subject matter insured with similar goods of the same age and condition.

   2.3 Limits on cover
       Further to any limitations to the cover set out in the applicable conditions of insurance, this insurance is limited to the limit of liability stated in the schedule.

3. Definitions
   When used in this policy, schedule or endorsements the following definitions will apply:

3.5.1 the causing, occasioning or threatening of harm of whatever nature and by whatever means;

in circumstances in which it is reasonable to conclude that the purpose(s) of the person(s) or organisation(s) concerned are wholly or partly of a political, religious, ideological or similar nature.

4. **Additional clauses**

4.1 **Accumulation**

The limit of liability stated in the schedule will not apply in the event of, or during, forced transhipment or after arrival of the overseas vessel at the port or place of discharge provided that any accumulation of the subject matter insured during the ordinary course of transit beyond the limit of liability has not arisen from circumstances within your control.

If accumulation of the subject matter insured beyond the limit of liability occurs at any other time because of interruption of the transit and/or circumstances beyond your control, we will, provided you give notice to us as soon as you are aware of the situation, grant cover up to but not more than:

4.1.1 double the limit of liability any one conveyance as stated in the schedule; or

4.1.2 AUD $10,000,000,

whichever is the lesser.

4.2 **Acquired companies**

This insurance will cover any company or entity formed or acquired by you during the period of insurance. However, you must hold a controlling interest in the company or entity or must accept responsibility for its insurance. In addition, you must:

4.2.2 provide us with the same information in relation to the company or entity that you provided to us when applying for or renewing this policy;

4.2.3 agree to any additional conditions relating to the insurance in respect of the company or entity; and

4.2.4 pay any additional premium we may charge.

4.3 **Airfreight replacement (Imports only)**

Claims made under this clause are subject to a limit of $50,000 any one loss or occurrence in addition to the sum insured.

4.4 **Brands**

We will not sell or dispose of salvaged branded goods without your consent. If you do not give your consent we may retain the goods and their reasonable salvaged value will be deducted from the amount payable in respect of the claim.
4.5 Cargo ISM forwarding charges
This insurance is extended to reimburse you up to the limit of the sum insured for the voyage, for any extra charges properly and reasonably incurred in unloading, sorting and forwarding the subject matter insured to the destination to which it is insured following release from a vessel arrested, or detained at, or diverted to any other port or place (other than the intended port of destination) where the voyage is terminated due either to:

4.5.1 the vessel not being certified in accordance with the ISM code; or
4.5.2 a current Document of Compliance not being held by her owners or operators as required under the Safety of Life at Sea (SOLAS) Convention 1974 as amended.

This clause, which does not apply to General Average or Salvage or Salvage Charges is subject to all other terms conditions and exclusions contained in the policy.

4.6 Containers
This policy will cover your legal liability for physical loss of or damage to shipping containers and/or flatracks in your care, custody and control to a limit of $25,000 any one loss or occurrence in addition to the sum insured.

4.7 Container demurrage charges
This policy will cover demurrage charges and/or late penalties assessed against you for the late return of containers when they are retained by you on our instruction for inspection following a claim to a maximum of $50,000 any one loss or occurrence in addition to the sum insured.

The period for which we will be liable begins at the time we instruct you to retain the containers and finishes at the time our surveyor instructs you to return the containers.

4.8 Debris
This policy covers the cost of removal and disposal of damaged, deteriorated or contaminated subject matter insured and of cleaning and decontamination to a limit of up to $50,000 any one loss or occurrence in addition to the sum insured.

4.9 Deck cargo
If the subject matter insured is shipped on deck of vessels other than in general purpose I.S.O fully enclosed containers it is insured according to the conditions stated in the schedule but excluding loss, damage or expense caused by or arising from rust, oxidisation, discolouration, fresh water or sea water unless as a result of a peril insured by the Institute Cargo Clauses (B) with sub clause 1.2.3 deleted.

4.10 Delayed unpacking
In the case of delay in opening cases or packages (except those showing signs of damage, wetting or staining) loss or damage discovered when they are opened within 90 days of delivery will be treated as having happened during an insured transit unless there is evidence to the contrary.

4.11 Difference in coverage
When the subject matter insured is purchased on CIF or similar terms this policy will insure the difference in the policy conditions of the insurance arranged by the seller or their agents and the insurance provided by this policy provided such difference has arisen from fault or neglect of the seller or their agents complying with your instructions. Consignments coming within the terms of this extension will be valued and declared in accordance with the policy conditions.

Claims recoverable under this clause are subject to the following provisions:

4.11.1 you should protect and pursue all legally enforceable means to recover the full amount of the loss or damage from the seller in accordance with the terms of purchase before claiming on this policy;
4.11.2 you should give to us all rights and remedies in respect of any recourse you may have for such loss or damage; and
4.11.3 you should cooperate in all aspect of the recovery.

The existence of this clause should not be disclosed to the seller or any other interested party.
4.12 Duty clause (Imports only)
This policy covers the increased value of subject matter insured being imported consequent upon payment of duty at destination. Where the insurance continues beyond the time of landing from the conveyance the increased value will then attach in the same manner as an additional insurance on the subject matter insured from the time of payment of such duty and to the extent of the amount actually paid.

However, no claim will be payable:
4.12.1 in the event of total loss of the subject matter insured or total loss of part thereof and/or total loss of the conveyance before arrival at destination;
4.12.2 for General Average;
4.12.3 in respect of duty waived by customs authorities at destination on shipments arriving damaged by a peril covered under this policy; or
4.12.4 in cases where no duty or landing charges are paid.

4.13 Exhibition/demonstration
This policy is extended to include:
4.13.1 subject matter insured, which includes stands, fixtures, fittings and exhibition equipment, in transit to or from and while at exhibition premises to a limit of $200,000 any one loss or occurrence in addition to the sum insured;
4.13.2 incurred expenses arising from the failure of the exhibitor to exhibit the goods as a direct result of loss or damage recoverable under Clause 1 to a limit of $10,000 any one loss and in the aggregate during the period of insurance but excluding any consequential loss absolutely; and
4.13.3 theft or pilferage from an unattended stand outside the opening hours of the event but only following forcible entry into or exit from the exhibition site. However, theft or pilferage from an unattended stand during the opening hours of the event is excluded.

Notwithstanding any excess noted in the schedule claims under this clause 4.13 are subject to an excess of $250 each and every loss.

In the event of the subject matter insured being sold from the exhibition, cover terminates at the time of lifting for removal from the premises.

4.14 FOB Pre-shipment (imports only - not available for bulk cargo)
Notwithstanding the provisions of the contract of sale, where the subject matter insured is purchased, for import, on an FOB, CFR or similar basis, provided such subject matter insured is not bulk cargo, this insurance attaches from the time the subject matter insured is first moved in the warehouse or at the place of storage (at the place named in the contract of insurance) for the purpose of immediate loading into or onto the carrying vehicle or other conveyance for the commencement of transit.

In the event of payment under this policy, we are entitled to subrogation of your rights of recourse against the sellers. You must not disclose the existence of this clause to the seller or any other interested party.

4.15 General Average and Salvage
For the purpose of claims for General Average contribution and Salvage Charges the subject matter insured shall be deemed to be insured for its full contributory value.

4.16 Hotel/Motel (transits within Australia and New Zealand only)
In the event you are obliged to stay overnight in a hotel/motel anywhere within Australia or New Zealand, the subject matter insured remains covered provided it is in a vehicle which is locked and parked within the hotel/motel complex and not in the street.
4.17 **Labels**  
In the event of loss or damage to labels or wrappers caused by an insured peril, we will not be liable for more than the cost of new labels, capsules or wrappers and the cost of re-labelling and repacking but only up to the insured value of the *subject matter insured*.

4.18 **Over-carried**  
Should any *subject matter insured* be over-carried, this policy extends to cover such interest until return to port of destination, subject to any additional premium we may require.

4.19 **Packers**  
The insurance applies while the *subject matter insured* is in transit to or from packers' premises and while there for packing up to a maximum of 30 days.

4.20 **Pollution**  
We will pay for loss of or damage to the *subject matter insured* caused by government authorities acting in the public interest to prevent or mitigate a pollution hazard or threat following a risk insured under this policy to the *subject matter insured*.

4.21 **Re-consigned or re-shipped**  
Subject to the terms and conditions of this policy where the *subject matter insured* has been insured to a named port and is re-consigned or re-shipped direct from the wharf to ports within Australia and/or New Zealand, the insurance continues until final destination without payment of extra premium or prior notification.

4.22 **Sealed containers**  
Claims for theft, shortage or non-delivery of a whole package or item shipped in a container will not be invalidated solely because the seals appear intact on delivery, provided we are given:

4.22.1 documentary evidence the package or item was loaded into the container; and

4.22.2 a copy of the discharge tally sheet or claused delivery notes,

to substantiate the loss.

4.23 **Sellers interest (exports only)**  
This extension will only apply to *subject matter insured* that is exported if, under a contract of sale, you do not have a responsibility to arrange insurance up to final destination and you make a provisional declaration of all such exports of *subject matter insured* within the voyage range of this policy at the commencement of each period of insurance for which sellers interest premium is charged.

4.23.1 Full cover will apply if title reverts to you because the buyer fails to:

(a) accept the *subject matter insured*;  
(b) take up the documents of title; or  
(c) pay for the *subject matter insured*,

and you exercise a right or lien to interrupt the transit and/or suspend the contract of sale in order to protect your interests.

4.23.2 Cover will remain in force until either:

(a) the *subject matter insured* is accepted by the buyer;  
(b) the *subject matter insured* is sold to an alternative buyer;  
(c) the *subject matter insured* is returned to you; or  
(d) 60 days from the arrival of the overseas vessel at the port of discharge, whichever first occurs.
4.23.3 We will not pay for loss or damage to the subject matter insured:

(a) unless immediate notice is given to us when a contingency in 4.23.1 (a), 4.23.1 (b) and/or 4.23.1 (c) above occurs;

(b) if the existence of this extension is disclosed to the buyer, its insurers or any other interested party;

(c) if this extension or any interest in the subject matter insured is assigned;

(d) if the loss is recoverable form credit insurers;

(e) arising from government action and/or regulations preventing transfer of currency; or

(f) if you have not declared to us all exports of the subject matter insured within the voyage range of this policy where you do not have a contractual responsibility to arrange or provide insurance up to the final destination.

This extension is not a double insurance. You must use all reasonable and usual care, skill and forethought and take all practical measures which may be required by us to prevent or minimise loss and to enforce the contract of sale.

When a claim is paid under this extension we are entitled to exercise our right of subrogation as outlined in 6.5 ‘Rights of subrogation’.

4.24 Shut out
In the event of the subject matter insured being ‘shut out’ from a vessel, this policy extends to cover the subject matter insured while waiting on the wharf, quay or pier or for the transfer to and whilst at another wharf, quay or pier and on forwarding by another vessel, subject to you notifying us as soon as you become aware of such event.

4.25 Sorting charges
This policy will cover costs incurred by you if you are instructed to separate shipping packages to ascertain the cause of loss or damage to the subject matter insured. These costs will be paid by us whether or not a claim under the policy is paid.

4.26 Strikes diversion expenses (imports only)
We will pay any additional expense incurred by you when importing the subject matter insured following the exercise by the ship owners or charterers of any liberty granted by the contract of affreightment where solely in consequence of strikes, riots, civil commotions, lockouts or labour disturbances, or conditions arising from them, the subject matter insured is over carried to or discharged at a port other than the intended port of discharge under the contract of affreightment. The additional expense is payable irrespective of any other loss, whether partial or total, recoverable under this policy.

However, we will not be liable of any claims unless the liberty referred to is exercised prior to the expiry of 15 days from midnight on the day on which the strikes, riots, civil commotion, lockouts or labour disturbances cease to be in active operation.

Our liability under this extension is limited to 20 per cent of the insured value of the subject matter insured or $25,000 whichever is lesser any one loss or occurrence in addition to the sum insured.

This extension is subject to an excess of 10 per cent of the amount recoverable for claims made under this extension.
5. **Exclusions**

The following exclusions apply in addition to the exclusions contained in the Institute clauses or stated elsewhere in the schedule and attachments to this policy.

5.1 **Demonstration, use or testing, return from exhibition**

Notwithstanding anything to the contrary in 4.13 'Exhibition/demonstration', this policy does not include cover for loss or damage to subject matter insured arising from demonstration, use or testing, or damage to the subject matter insured being returned from an exhibition unless packed to the same standard as that for the outward transit.

5.2 **Information technology hazards**

This insurance does not cover losses otherwise recoverable arising directly or indirectly out of loss of or damage to, or a reduction or alteration in the functionality or operation of, a computer system, hardware, programme, software, data, information repository, microchip, integrated circuit or similar device in or connected with computer equipment or non computer equipment whether your property or not unless the losses are caused directly by one or more of the following perils:

- 5.2.1 theft of equipment;
- 5.2.2 collision;
- 5.2.3 sinking, grounding or stranding of the carrying vessel;
- 5.2.4 overturning or derailment of land conveyance;
- 5.2.5 jettison or washing overboard;
- 5.2.6 fire, lightning, explosion;
- 5.2.7 aircraft or vehicle impact;
- 5.2.8 falling objects;
- 5.2.9 windstorm, hail, tornado, cyclone, hurricane, earthquake, volcano, tsunami, flood, freeze or weight of snow.

5.3 **Institute Radioactive Contamination, Chemical, Biological, Bio-chemical and Electromagnetic Weapons Exclusion Clauses - USA/Canada endorsement**

When the schedule states the Institute Radioactive Contamination, Chemical, Biological, Bio-chemical and Electromagnetic Weapons Exclusion Clause (RACCBE) is to apply, the inclusion of this clause in the policy is material to our willingness to provide coverage at the quoted terms, conditions and rates. It is the intent of the parties to give maximum effect to RACCBE as permitted by law. In the event that any portion of RACCBE may be found to be unenforceable in whole or in part under the law of any state, territory, district, commonwealth or possession of the USA, or any province or territory of Canada, the remainder will stay under full force and effect under the laws of that state, territory, district commonwealth or possession, province or territory. Further any such finding will not alter the enforceability of the RACCBE under the laws of any other state, territory, district, commonwealth or possession of the USA, or any province or territory of Canada, to the fullest extent permitted by applicable law.

5.4 **ISM**

This policy excludes loss, damage or expense where the subject matter insured is carried by a vessel that is not ISM certified or whose owners or operators do not hold an ISM Code Document of Compliance when, at the time of loading of the subject matter insured on board the vessel, you are aware, or in the ordinary course of business should have been aware that either:

- 5.4.1 the vessel was not certified in accordance with the ISM Code; or
- 5.4.2 a current Document of Compliance was not held by its owners or operators as required under the Safety of Life at Sea (SOLAS) convention 1974 as amended.

This exclusion will not apply where this insurance has been assigned to the party claiming under this policy who had bought or agreed to buy the subject matter insured in good faith under a binding contract.
5.5 **Mechanical or electronic derangement**
This policy excludes mechanical, electrical or electronic breakdown or malfunction where there is no external
evidence that an insured event has occurred.

5.6 **Termination of transit (terrorism) 2009**
This clause will be paramount and override anything contained in this policy inconsistent therewith.

Notwithstanding any provision to the contrary contained in this policy or the Clauses referred to, it is agreed
that in so far as the policy covers loss of or damage to the *subject matter insured* caused by any act of
terrorism cover will terminate either:

5.6.1 as per the transit clauses contained within the contract of insurance;

5.6.2 on completion of unloading from the carrying vehicle or other conveyance in or at the final
warehouse or place of storage at the destination named in the contract of insurance;

5.6.3 on completion of unloading from the carrying vehicle or other conveyance in or at any other
warehouse or place of storage, whether prior to or at the destination named in the contract of
insurance, which you or your employees elect to use either for storage other than in the ordinary
course of transit;

5.6.4 when you or your employees elect to use any carrying vehicle or other conveyance or any container
for storage other than in the ordinary course of transit;

5.6.5 in respect of marine transits, on the expiry of 60 days after the completion of discharge overside of
the *subject matter insured* from the oversea vessel at the final port of discharge; or

5.6.6 in respect of air transits, on the expiry of 30 days after unloading the *subject matter insured* from the
aircraft at the final place of discharge,

whichever occurs first.

If the contract of insurance or the Clauses referred to specifically provide cover for inland or other further
transits following on from storage, or termination as provided for above, cover will re-attach and continue

6.1 **Claims procedure**
When loss or damage happens which may give rise to a claim under this policy, you and/or your agent should
take all reasonable measures to avert or minimise the loss and ensure that all rights against carriers, bailees or
other third parties are properly preserved and exercised. You and/or your agent must:

6.1.1 claim immediately on the carriers, port authorities or other bailees for any missing packages;

6.1.2 in no circumstances, other than under written protest, give clean receipts where goods are in
damaged or doubtful condition;

6.1.3 in no circumstances, other than under written protest, sign a receipt for goods which are in damaged
or doubtful condition without noting the damage or doubt regarding the condition on that receipt;
6.1.4 apply immediately for survey by carriers’ or bailees’ representatives if any loss or damage is apparent and claim on the carriers or bailees for any loss or damage found during the survey;

6.1.5 give notice, in writing, to the carriers or bailees within 3 days of delivery if the loss or damage was not apparent at the time of taking delivery; and

6.2 Claims settlement
In the event of a claim, we have the option of settling your loss by payment, repair, reinstatement or replacement.

6.2.1 Goods and Services Tax
If you are liable for Goods and Services Tax (GST) in respect of any goods, services or other supply which are the subject of a claim under this policy we will pay you for that GST liability. However:

(a) where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the payment by the amount of any input tax credit you are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition whether or not the acquisition is actually made; or

(b) where we make a payment under this policy as compensation for the acquisition of goods, services or other supply, we will reduce the payment by the amount of any input tax credit you would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or supply.

6.2.2 Foreign currency invoice
If the amount of a claim is to be calculated based on an invoice in a currency other than Australian dollars, the claim will be paid in Australian dollars at the rate of exchange current at the date the loss or damage occurred.

6.3 Excess
In the event of a claim (other than a claim for total loss, General Average or Salvage) you must bear first the amount of any excess specified in the schedule or elsewhere in the policy wording.

6.4 Other insurance
When making a claim on this policy you must also supply us with written details of all policies that may pay or partially pay that claim.

6.5 Rights of subrogation
We are entitled to exercise any rights you or any assignee may have against anyone else in relation to the subject matter insured for which we have settled a claim under this policy. 7. **General conditions**

7.1 **Applicable legislation**
   To the extent that this policy covers risks governed by the Marine Insurance Act 1909 the policy will be subject to the provisions of the Act. To the extent that this policy covers other risks it will be subject to the Insurance Contracts Act 1984.

7.2 **Australian law and jurisdiction**
   This policy is subject to Australian law and jurisdiction.

7.3 **Cancellation**
   7.3.1 You may cancel this policy at any time by notifying us in writing.
   7.3.2 When the policy is subject to the Marine Insurance Act 1909, we may cancel this policy at any time by giving you 30 days notice in writing of the date from which cancellation is to take effect. The notification may be delivered personally or posted by certified mail to you at the address last notified to us. Proof of mailing will be sufficient proof of notification.
   7.3.3 When the policy is subject to the Insurance Contracts Act 1984, we may cancel the policy subject to the provisions of that Act.
   7.3.4 Cancellation will not apply to risks which have attached before the cancellation becomes effective.
   7.3.5 Within 30 days of the effective date of cancellation you must advise us of the actual figures for the period the policy has been in force to enable us to calculate the premium due for this period. The difference between this premium and the deposit premium will either be paid by or allowed to you but subject to retention by us of 75 per cent of the proportionate part of the original estimated annual premium for the policy has been in force.

7.4 **Cancellation – war and strikes**
   The cover against war and/or strikes risks (as defined in the relevant Institute War and Strikes Clauses) may be cancelled by either you or us giving written notice. Such cancellation shall become effective on the expiry of 7 days (or 2 days in respect of strikes risks on shipments to and from the United States of America) from midnight on the day on which written notice of cancellation is issued to or by us but shall not apply to risks which have attached in accordance with the conditions of the Institute War and/or Strikes Clauses before the cancellation becomes effective. Within 30 days of the effective date of cancellation you must advise us of the actual figures for the period war and/or strikes cover has been in force to enable the applicable war and/or strikes premium due for the period to be calculated and the premium prepaid for these risks to be adjusted.

7.5 **Certificates of insurance**
   When you, or a third party on your behalf, are provided with the facility to self issue certificates of insurance, any certificate issued must strictly conform to the terms, conditions and limits of this policy. 7.6 **Notification of material change**
   You must notify us as soon as possible of any material change in the risk covered by this policy.

7.7 **Plurals and titles**
   The proposal, this policy, the schedule and any endorsements are one contract in which, unless the context otherwise requires:
   7.7.1 headings are descriptive only, not an aid to interpretation;
   7.7.2 singular includes the plural, and vice versa; and
   7.7.3 the male includes the female and neuter.
7.8 **Premium and adjustments**

You must pay us the deposit premium stated in the *schedule*. This is based on estimated figures for the period of insurance provided by you and you must keep accurate records of the equivalent actual figures. A statement of these actual figures (audited if requested) must be given to us within one month after the end of the period of insurance.

We will adjust the premium proportionally at the end of that period on the basis of your actual figures.

7.8.1 If the adjusted premium is higher than the deposit premium stated in the *schedule* you must pay the difference unless the deposit premium is less than $25,000 and the variation between estimated and actual figures for the period is less than 10 per cent when no difference in premium is payable.

7.8.2 If the adjusted premium is lower than the premium stated in the *schedule*, provided that the words ‘minimum and deposit premium’ do not appear in your *schedule*, we must pay the difference to you. However, we are entitled to retain 75 per cent of the estimated annual premium the deposit premium was based on.

7.9 **Reasonable care**

You must take reasonable care to prevent loss, destruction, damage or death covered by this policy.

7.10 **Sanctions regulation**

Notwithstanding any other terms or conditions under this policy, Zurich shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to any insured or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of the insured would violate any applicable trade or economic sanctions, law or regulation.

7.11 **Third parties**

If anyone else is entitled to make a claim under this policy, that person and/or entity must also comply with its terms.

7.12 **Transfer**

For shipments involving imports and/or exports, this policy permits transfer of the insurance by you or any assignee to another person and/or entity.

For transits commencing and terminating within the same country, you may only transfer a right under this policy with our written consent.

7.13 **Variation of war and strikes rates**

Our right to cancel insurance of war and/or strikes risks or to increase the war and/or strikes rates or to change the conditions of insurance are not prejudiced by the war and strikes premium under this policy having been prepaid at the rates current at the commencement of each period of insurance.

We have the right to apply higher rates on, or to charge on a ‘hold covered’ basis, voyages or flights to specific countries or areas. Any additional premium will be calculated by applying the difference between prepaid and amended war and/or strikes rates to actual declared figures for the period/s applicable or, if not declared, on a pro-rata to annual premium basis for the annual period concerned.

11.2 Subject to Clause 11.1 above, the Assured shall be entitled to recover for insured loss occurring during the period covered by this insurance, notwithstanding that the loss occurred before the contract of insurance was concluded, unless the Assured were aware of the loss and the Insurers were not.

Constructive Total Loss

13. No claim for Constructive Total Loss shall be recoverable hereunder unless the subject-matter insured is reasonably abandoned either on account of its actual total loss appearing to be unavoidable or because the cost of recovering, reconditioning and forwarding the subject-matter insured to the destination to which it is insured would exceed its value on arrival.
Increased Value

14. If any Increased Value insurance is effected by the Assured on the subject-matter insured under this insurance the agreed value of the subject-matter insured shall be deemed to be increased to the total amount insured under this insurance and all Increased Value insurances covering the loss, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

In the event of claim the Assured shall provide the Insurers with evidence of the amounts insured under all other insurances.

14.2 Where this insurance is on Increased Value the following Clause shall apply:

The agreed value of the subject-matter insured shall be deemed to be equal to the total amount insured under the primary insurance and all Increased Value insurances covering the loss and effected on the subject-matter insured by the Assured, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

In the event of claim the Assured shall provide the Insurers with evidence of the amounts insured under all other insurances.

15. This insurance

15.1 covers the Assured which includes the person claiming indemnity either as the person by or on whose behalf the contract of insurance was effected or as an assignee

Minimising losses

Duty of Assured

16. It is the duty of the Assured and their employees and agents in respect of loss recoverable hereunder

16.1 to take such measures as may be reasonable for the purpose of averting or minimising such loss and

16.2 to ensure that all rights against carriers, bailees or other third parties are properly preserved and exercised and the Insurers will, in addition to any loss recoverable hereunder, reimburse the Assured for any charges properly and reasonably incurred in pursuance of these duties.

Waiver

17. Measures taken by the Assured or the Insurers with the object of saving, protecting or recovering the subject-matter insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

Avoidance of delay

18. It is a condition of this insurance that the Assured shall act with reasonable despatch in all circumstances within their control.

Law and Practice

19. This insurance is subject to English law and practice.

Note: where a continuation of cover is requested under Clause 9, or a change of destination is notified under Clause 10, there is an obligation to give prompt notice to the Insurers and the right to such cover is dependent upon compliance with this obligation.

Duration

Transit Clause

4. 4.1 Subject to Clause 7 on page 40, this insurance attaches from the time the subject-matter insured is first moved in the warehouse, premises or at the place of storage (at the place named in the contract of insurance) for the purpose of the immediate loading into or onto the carrying vehicle or other conveyance for the commencement of transit, continues during the ordinary course of transit and terminates either

4.1.1 on completion of unloading from the carrying vehicle or other conveyance in or at the final warehouse, premises or place of storage at the destination named in the contract of insurance

4.1.2 on completion of unloading from the carrying vehicle or other conveyance in or at any other warehouse, premises or place of storage, whether prior to or at the destination named in the contract of insurance, which the Assured or their employees elect to use either for storage other than in the ordinary course of transit or for allocation or distribution or

4.1.3 when the Assured or their employees elect to use any carrying vehicle or other conveyance or any container for storage other than in the ordinary course of transit or

4.1.4 on the expiry of 30 days after completion of unloading of the subject-matter insured from the aircraft at the final place of discharge

whichever shall first occur.

4.2 If, after unloading from the aircraft at the final place of discharge, but prior to termination of this insurance, the subject-matter insured is to be forwarded to a destination other than that to which it is insured, this insurance, whilst remaining subject to termination as provided in Clauses 4.1.1 to 4.1.4, shall not extend beyond the time the subject-matter insured is first moved for the purpose of the commencement of transit to such other destination.

4.3 This insurance shall remain in force (subject to termination as provided for in Clauses 4.1.1 to 4.1.4 above and to the provisions of Clause 5 below) during delay beyond the control of the Assured, any deviation, forced discharge, reshipment or transhipment and during any variation of the adventure arising from the exercise of a liberty granted to the air carriers under the contract of carriage.

Termination of Contract of Carriage

5. If owing to circumstances beyond the control of the Assured either the contract of carriage is terminated at a place other than the destination named therein or the transit is otherwise terminated before unloading of the subject-matter insured as provided for in Clause 4 above, then this insurance shall also terminate unless prompt notice is given to the Insurers and continuation of cover is requested when this insurance shall remain in force, subject to an additional premium if required by the Insurers, either

5.1 until the subject-matter insured is sold and delivered at such place, or, unless otherwise specially agreed, until the expiry of 30 days after arrival of the subject-matter insured at such place, whichever shall first occur or

5.2 if the subject-matter insured is forwarded within the said period of 30 days (or any agreed extension thereof) to the destination named in the contract of insurance or to any other destination, until terminated in accordance with the provisions of Clause 4 above.
Change of Transit

6.  6.1 Where, after attachment of this insurance, the destination is changed by the Assured, this must be notified promptly to Insurers for rates and terms to be agreed. Should a loss occur prior to such agreement being obtained cover may be provided but only if cover would have been available at a reasonable commercial market rate on reasonable market terms.

6.2 Where the subject-matter insured commences the transit contemplated by this insurance (in accordance with Clause 4.1), but, without the knowledge of the Assured or their employees the aircraft leaves for another destination, this insurance will nevertheless be deemed to have attached at commencement of such transit.

Claims

Insurable Interest

7.  7.1 In order to recover under this insurance the Assured must have an insurable interest in the subject-matter insured at the time of the loss.

7.2 Subject to Clause 7.1 above, the Assured shall be entitled to recover for insured loss occurring during the period covered by this insurance, notwithstanding that the loss occurred before the contract of insurance was concluded, unless the Assured were aware of the loss and the Insurers were not.

Increased Value

8.  8.1 If any Increased Value insurance is effected by the Assured on the subject-matter insured under this insurance the agreed value of the subject-matter insured shall be deemed to be increased to the total amount insured under this insurance and all Increased Value insurances covering the loss, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

In the event of claim the Assured shall provide the Insurers with evidence of the amounts insured under all other insurances.

8.2 Where this insurance is on Increased Value the following Clause shall apply:

The agreed value of the subject-matter insured shall be deemed to be equal to the total amount insured under the primary insurance and all Increased Value insurances covering the loss and effected on the subject-matter insured by the Assured, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

In the event of claim the Assured shall provide the Insurers with evidence of the amounts insured under all other insurances.

Benefit of insurance

9.  9.1 This insurance covers the Assured which includes the person claiming indemnity either as the person by or on whose behalf the contract of insurance was effected or as an assignee

9.2 shall not extend to or otherwise benefit the carrier or other bailee.
