

Warm Springs

Stuart Island, BC

You'll be on the water, fishing by dawn ...

When not fishing, you could enjoy the swimming pool, hot tub, tennis court or simply sit back and relax in the "upside-down boat."

For the adventurer, miles of hiking trails await.

The Warm Springs "Barge" is fully self-contained, with accommodations that are truly first-class

...break for a delicious lunch, fish again ...

... until dusk. A day well spent.

Our professional chef skillfully prepares amazing meals and will gladly accomodate any special dietary needs.

Warm Spring's guides will show you all the techniques and hot spots needed to help you catch the big one. Your prize catches will be cleaned, frozen and sealed - ready for your departure flight.

Stuart Island is a scenic, one hour flight north of Vancouver, British Columbia by Turbo Beaver Floatplane or Cessna Caravan Amphibian Aircraft

Your stay on the Barge will be long remembered for its unparalleled, first-class approach and its down-to-earth hospitality

We hope your stay at Warm Springs will be an experience
that will stay with you long after you've returned to the
real world.
