

Equipment and trucks Warranty

**Sets your items
apart from the rest**

**Detailed pre-auction
inspection**

**Extra advertising
perks**

**Maximum cash
in your pocket**

Whether it's for transport trucks or your heavy equipment, we've partnered with the best warranty providers in the business to offer our buyers the best coverage possible on eligible lots purchased at the auction. For sellers warranty eligibility is free and applied automatically on qualified items. Warranty eligibility makes your items stand out from the rest by increasing the exposure and visibility to potential buyers, as well as highlighting the quality of your item.

You benefit from:

- ▶ Special warranty eligibility decal
- ▶ Online search functionality
- ▶ Warranty eligibility icon displayed in catalog, online item detail page, and bid client
- ▶ Finance packaging – Ritchie Bros. Financial Services on site to facilitate finance packages and warranty options for buyers which means more qualified buyers bidding on your item(s)

Equipment Criteria	Truck Criteria
<ul style="list-style-type: none"> ▶ Currently available on select equipment types: crawler tractors, hydraulic excavators, wheel loaders, loader backhoes, vibratory rollers, telescopic forklifts, mini excavators, skid steers and multi terrain loaders ▶ 7 model years or newer (Skid steers and multi-terrain loaders 5 years or newer) ▶ 5000 hrs or less ▶ Equipment has an RB good or better subjective condition rating 	<ul style="list-style-type: none"> ▶ Currently available on select class 8 and 3-7 ▶ 7 model years or newer ▶ Class 8 trucks must have 700,000 miles (1.1 million kms) or less on ECM and odometer ▶ Class 3-7 trucks must have 350,000 miles (400,000kms) or less on ECM and odometer ▶ ECM readout is free from fault codes

Maximize your returns – pre-purchase a warranty option on qualified lots to sell with your item. Ask your sales rep for details.
